

# AGENCOURT® VENDOR PARTNERSHIPS

This document supplements the Agencourt Sample Submission Guidelines:

<http://www.agencourt.com/documents/services/agencourt-sample-submission-guidelines.pdf>

Preferred vendors are found below. If you have any questions about the vendors listed in the outline below, please contact customer service at 800.773.9186.

## ThermoFisher

Agencourt Bioscience has negotiated favorable pricing for laboratory consumables with ThermoFisher. This special discount is available to all Agencourt customers. All recommended consumables are listed in the chart below. Please place all orders directly with ThermoFisher at 815.968.0747 ext. 393 and refer to quote “ARAGENC530-2006” on your order. Rita Hammer is the customer service representative at ThermoFisher who will answer all questions pertaining to this quote number.

## American Bioanalytical

Agencourt Bioscience has also negotiated favorable pricing for media and other consumables with American Bioanalytical. Recommended items are listed in the chart below. Please place all orders directly with American Bioanalytical at 800.443.0600 and refer to quote “V\_03”.

## Other Vendors

Agencourt recommends items from PGC Scientifics and Fisher Scientific. The following contact information may be used when ordering from these two vendors:

### PGC Scientifics Corporation:

Renee Pearcy  
Customer Service Manager  
800.424.3300

### Fisher Scientific:

800.766.7000

Item Number	Item Description	Item Use
<b>ThermoFisher – Contact Rita Hammer (815.968.0747 ext. 393)</b>		
AB-1300	<ul style="list-style-type: none"> <li>96 - well thermo fast robotic plate, .2ml (50 per box)</li> </ul>	Submissions of PCR products and primers in 96-well plate format
AB-0796	<ul style="list-style-type: none"> <li>96 - well u-btm plate, PP (100 per case)</li> </ul>	Plate used for storage of glycerol samples
AB-1000	<ul style="list-style-type: none"> <li>96 - well, ultra rigid PCR plate (50 per box)</li> </ul>	Submissions of PCR products and primers in 96-well plate format
AB-1000/150	<ul style="list-style-type: none"> <li>96 - well, ultra rigid PCR plate (150 per box)</li> </ul>	Submissions of PCR products and primers in 96-well plate format
AB-0937/100	<ul style="list-style-type: none"> <li>PCR plate, 384 well (100/Cs)</li> </ul>	Submissions of PCR products and primers in 384-well plate format
QH-2216	<ul style="list-style-type: none"> <li>Assay plate, 245x245x20mm (16/Cs)</li> </ul>	Blank assay trays used for pouring agar lawns
DW9611	<ul style="list-style-type: none"> <li>1.1ml deep well plate (50 per case)</li> </ul>	Submission of frozen, pelleted cells
AB-0626	<ul style="list-style-type: none"> <li>Sealing adhesive foil (100 per pack)</li> </ul>	Seal for 384 or 96-well plates, best alternative to a heat seal
AB-1111	<ul style="list-style-type: none"> <li>384 well thermo fast diamond plate (50 per case)</li> </ul>	Submissions of PCR products and primers in 96-well plate format
TR25-B	<ul style="list-style-type: none"> <li>Aero seal, breathable, non-sterile (100 per pack)</li> </ul>	Seal for 384 or 96 well overnight culture plates
AB-1187	<ul style="list-style-type: none"> <li>.65ml 2D tubes with split septum in lockable rack (10 racks of 96 per case)</li> </ul>	Submission of PCR products, primers and plasmids for individual sample sequencing
AB-1187/RK	<ul style="list-style-type: none"> <li>.65ml 2D tubes with split septum in lockable rack (1 rack of 96)</li> </ul>	Submission of PCR products, primers and plasmids for individual sample sequencing
<b>PGC Scientific – Contact Renee Percy (800.424.3300)</b>		
7-81101	<ul style="list-style-type: none"> <li>384-well plate</li> </ul>	Glycerol submission
6-56190	<ul style="list-style-type: none"> <li>Lid for 384-well plate</li> </ul>	Glycerol submission

<b>American Bioanalytical – (800.443.0600)</b>		
AB01201-00500	• Luria Broth	Agar lawn submission
AB01185-00500	• Bacteriological Agar	Agar lawn submission
CU08048-01000	• LB with 10% glycerol	Glycerol submission
AB02031-00500	• Tryptone	Glycerol submission
AB01208-00500	• Yeast Extract	Glycerol submission
AB13214-00500	• NaCl	Glycerol submission
AB00750-00500	• Anhydrous Glycerol	Glycerol submission
<b>Fisher Scientific (800.766.7000)</b>		
07-200-105	• 96-well costar round bottom plate	Glycerol submission
